REGIONAL CONFERENCE ACCESS FUND

Applying to the fund A small access fund is available to help improve accessibility for members attending the conference. Applications will be considered for (a) a reduced registration rate of £18; (b) assistance towards the cost of travel. Applications for reduced registration rates will only be considered if submitted before the deadline for standard rate registration (Sunday 17 September). Applications for travel support should be for the most economic means of public transport, or in exceptional circumstances for fuel costs where circumstances warrant this (e.g. disability), and where car sharing with other members is not possible. Applicants are expected to cover the cost themselves initially and to make a claim post-conference (all relevant receipts must be provided).

Contributing to the fund Any contributions made by party members to this fund are ring-fenced for this purpose only and where applicable, any unused donations will be carried over to the next regional conference. Any member registering for conference will be asked as part of their registration whether they would like to make a contribution to the fund and can do this when paying for conference.

(4) STEWARDING AT REGIONAL CONFERENCE

A small number of free places at conference are available for people willing to fulfil two two-hour sessions as stewards, between 9am and 5pm. If you are interested, please contact conference@eastlibdems.org.uk.

Please return with your payment to:

East of England Liberal Democrats, 7 St John's Road, Epping CM16 5DN. Thank you.
